Les présentes conditions générales de vente (ci-après les « CGV ») s'appliquent à toutes les ventes de produits par AGRICARB à des acheteurs professionnels (ci-après le(s) « Client(s) »), quelles que soient les clauses pouvant figurer sur les documents du Client.

Le fait pour le Client de passer commande auprès d'AGRICARB implique l'adhésion pleine, entière et sans réserve aux présentes CGV ainsi qu'aux Conditions Générales d'Utilisation du site internet AGRICARB pour les commandes en ligne.

Sauf stipulations contraires expresses entre les parties, les présentes CGV prévalent sur tout autre document et notamment sur toutes conditions générales d'achat du Client.

Les présentes CGV constituent le socle unique de la négociation commerciale entre les Parties, conformément à l'article L.441-6 du Code de commerce.

2. COMMANDES

La vente n'est parfaite et le contrat formé (ci-après le « Contrat ») qu'après l'acceptation expresse et par écrit par AGRICARB de la commande du Client matérialisée par un accusé de réception à la demande du Client ou à défaut par l'exécution de la commande par Agricarb. La commande ne peut pas être annulée (résolution) par le Client sauf acceptation préalable et écrite d'AGRICARB.

Toutes les commandes, et leurs compléments éventuels, doivent être formulés par le Client par écrit (fax, courrier ou courriel) ou sur le site internet d'AGRICARB via l'espace personnel du Client. Aucune commande ne saurait être acceptée par téléphone ou par voie orale.

Les caractéristiques contractuelles des produits sont celles qui figurent sur l'offre d'AGRICARB et/ou sur le bon de commande accepté par les deux parties.

Le Client dispose d'un délai de 7 jours à partir de la date de réception pour effectuer une réclamation sur les vices apparents et/ou sur la non-conformité des produits (ne concerne pas la livraison) par rapport à la commande (notamment quantité ou références erronées). Au-delà de ce délai, les produits livrés seront réputés conformes aux termes de la commande et aucune réclamation portant sur les vices apparents ou sur la conformité des Produits livrés ne pourra être effectuée.

Les ventes sont soumises aux présentes CGV, dont le Client déclare avoir préalablement pris connaissance.

3. PRIX ET REMISES

Les prix applicables sont ceux en vigueur au jour de la passation de la commande par le Client et/ou ceux mentionnés dans l'offre de prix remise par AGRICARB au Client pour la seule durée de validité de cette offre. AGRICARB se réserve la possibilité de modifier ses tarifs à tout moment, après information préalable du Client, sous réserve des Contrats en cours. Toute modification tarifaire sera automatiquement applicable à la date indiquée sur le tarif.

Sauf stipulation expresse convenue entre AGRICARB et le Client, nos prix s'entendent toujours hors taxes, produits non emballés, départ usine Ex Works (CCI 2010). Les prix n'incluent donc pas les frais de chargement, transport, déchargement, douanes et assurances, qui sont supportés par le Client. Tout impôt et/ou taxe dû en application du droit français, et notamment la TVA au taux en vigueur à la date d'émission de la facture, sont à la charge du Client.

La remise accordée par AGRICARB au Client est déterminée selon la base du prix public en vigueur.

Ce taux de remise est défini par AGRICARB en fonction notamment du chiffre d'affaires réalisé l'année précédente, de la valorisation des produits AGRICARB en magasin ainsi que de l'historique commercial entretenu entre le Client et notre société, selon le tableau annexé le cas échéant aux présentes CGV.

Le taux de remise est révisé chaque année.

Les conditions commerciales de vente sont individuelles et confidentielles.

En cas de modification légale et/ou réglementaire du montant de cette indemnité forfaitaire, le nouveau montant sera de plein droit substitué à celui figurant dans les présentes CGV. L'application de plein droit de cette indemnisation ne fait pas obstacle à l'application d'une indemnité complémentaire de la créance sur justification, conformément au

texte susvisé, à dû concurrence de l'intégralité des sommes qui auront été exposées par AGRICARB, qu'elle qu'en soit la nature, pour le recouvrement de créance.

En cas de retard de paiement, le montant des sommes dues sera majoré d'une pénalité de retard égale à trois (3) fois le taux d'intérêt légal par mois à partir de la date d'échéance.

En cas de non-respect par le Client des présentes conditions de règlement, AGRICARB se réserve le droit de suspendre les livraisons des commandes en cours ou de résilier le Contrat de plein droit, avec effet immédiat, sans préjudice de toute autre action qu'AGRICARB serait en droit d'intenter.

6. GARANTIES

Les produits livrés par AGRICARB bénéficient d'une garantie contractuelle de six (6) mois à partir de la date de Livraison.

La garantie contractuelle s'applique uniquement sur un défaut technique des plaquettes en carbure.

Aucune garantie ne sera acceptée par AGRICARB en cas de mauvaise utilisation, de négligence ou de défaut d'entretien de la part du Client.

L'usure, la casse ou le pliage de la pièce sont expressément exclus de la garantie.

En outre, toute pièce ayant subi une modification à l'initiative du Client et/ou d'un tiers par rapport à la fabrication originale n'entre pas dans le cadre de la garantie (Rechargement, soudage...).

Seules les pièces montées avec une boulonnerie fournie par AGRICARB sont couvertes par la garantie.

Seuls les supports encore pourvus de carbure feront l'objet d'une étude de prise en garantie.

Aucun retour de marchandise ne sera accepté sans notre accord préalable (Consultation de notre équipe commerciale et technique). En cas d'accord, le retour usine s'effectuera, par transporteur, à la charge et aux risques du Client.

Après examen, la société AGRICARB sera seul juge du constat de vice de fabrication.

Le cas échéant, la ou les pièces prises en garantie seront remplacées par une pièce semblable ou équivalente, aucun avoir ne sera accordé par AGRICARB.

7. RESPONSABILITES

La responsabilité totale d'AGRICARB est limitée aux seuls dommages matériels et corporels directs causés au Client et imputables exclusivement aux produits et/ou à une inexécution contractuelle d'AGRICARB. La responsabilité d'AGRICARB du fait des produits vendus au Client est expressément exclue pour tous les dommages indirects et/ou immatériels, consécutifs ou non consécutifs, subis par le Client et/ou par un tiers, tels que notamment les pertes d'exploitation, de chiffre d'affaires, de commandes, de clientèle, perte d'image, etc. de sorte qu'AGRICARB ne devra aucuns dommages-intérêts à ce titre.

La responsabilité d'AGRICARB du fait des produits vendus, ayant causé un dommage au Client ou à un tiers, est expressément exclue en cas de mauvaise utilisation, négligence, ou défaut d'entretien de la part du Client, comme en cas d'usure normale du produit ou de Force Majeure (tel que définie à l'article 11), de sorte qu'AGRICARB ne devra aucuns dommages-intérêts à ce titre.

8. REPRISES PIECES

Les reprises de pièces invendues du catalogue feront l'objet d'une décote de 20 à 50 %.

Les reprises de pièces spécifiques (hors catalogue en vigueur) feront l'objet d'un chiffrage au préalable.

9. RESERVE DE PROPRIETE

Les produits objets Contrat sont vendus avec une clause subordonnant expressément le transfert de leur propriété au paiement intégral du prix en principal et accessoires. En conséquence, en cas de défaut de paiement, AGRICARB pourra reprendre possession des produits livrés, sans préjudice de toute autre action qu'AGRICARB serait en droit d'intenter.

Il est toutefois entendu que la simple remise d'un titre créant une obligation à payer, traite ou autre, ne constitue pas un paiement au sens de la présente clause, la créance originaires d'AGRICARB sur le Client subsistant avec toutes les garanties qui y sont attachées, y compris la réserve de propriété jusqu'à ce que ledit effet de commerce ait été effectivement payé.

Les dispositions ci-dessus ne font pas obstacle dès la Livraison (cf. art 4) des produits, au transfert au Client des risques de perte ou de détérioration des produits soumis à réserve de propriété ainsi que des dommages qu'ils pourraient occasionner.

Le Client devra souscrire une assurance garantissant les risques nés à compter de la Livraison des marchandises.

En cas de saisie, ou de toute autre intervention d'un tiers sur les marchandises propriété d'AGRICARB, le Client devra impérativement en informer AGRICARB sans délai afin de lui permettre de s'y opposer et de préserver ses droits.

Le Client s'interdit en outre de donner en gage ou de céder à titre de garantie la propriété des marchandises.

Le Client est autorisé, dans le cadre de l'exploitation normale de son établissement, à revendre les marchandises objet du présent Contrat.

Toutefois, il s'oblige, en cas de revente alors que le prix n'a pas été réglé à l'échéance, à régler immédiatement le solde du prix restant dû à AGRICARB ou à informer les sous-acquéreurs que lesdites marchandises font l'objet d'une clause de réserve de propriété et à avertir AGRICARB de cette cession afin qu'AGRICARB puisse préserver ses droits et, le cas échéant, exercer une revendication sur le prix de revente à l'égard du sous-acquéreur.

10. PROPRIETE INTELLECTUELLE

Tous les documents techniques remis aux Clients demeurent la propriété exclusive d'AGRICARB, seul titulaire des droits de propriété intellectuelle sur ces documents.

De même, les droits de propriété intellectuelle relatifs aux produits restent la propriété pleine et entière d'AGRICARB ou des titulaires de ces droits. Seul est concédé au Client, à titre personnel, non exclusif et non transférable, un droit d'usage de ces droits de propriété intellectuelle, limité à un usage des produits et des documents techniques internes à l'entreprise du Client, pour la France et pour la durée de vie du produit. Le Client s'engage à ne faire aucun usage de ces documents susceptible de porter atteinte aux droits de propriété industrielle ou intellectuelle d'AGRICARB.

11. FORCE MAJEURE

AGRICARB ne sera pas responsable des retards et/ou inexécutions dus à des cas de force majeure, telle que définie par l'article 1218 du Code civil, ou en cas de grève du personnel d'AGRICARB, même si cet événement ne revêt pas les caractères légaux ou jurisprudentiels de la force majeure (ci-après la « Force Majeure »). En outre, les obligations d'AGRICARB envers le Client seront suspendues en cas de Force Majeure jusqu'à la cessation dudit cas de Force Majeure.

12. DROIT APPLICABLE & LITIGES

Les présentes CGV et le Contrat sont régis par le droit français. L'application de l'ensemble des dispositions de la Convention de Vienne du 11 avril 1980 relative aux contrats de vente internationale de marchandises est expressément exclue.

En cas de difficulté ou de litige concernant la validité, l'interprétation, et/ou l'exécution des présentes CGV, les parties s'efforceront de résoudre leurs différends à l'amiable. En cas de désaccord persistant, le litige sera porté devant le tribunal de commerce de Lyon.

1. APPLICATION & OPPOSABILITY

The present General Terms of Sales apply to all product sales by AGRICARB to professional buyers (hereafter the "Customer(s)"), regardless of the clauses stated in the Customer's documents.

The Customer placing an order with AGRICARB implies that they unreservedly and fully agree with the present Terms of Sales, as well as the Terms of Sales of our AGRICARB website for those Customers placing their orders via our website.

Unless otherwise expressly agreed between the parties, the present Terms of Sales prevail over any other document, particularly over the Customer's General Terms of Purchase.

These General Terms of Sales constitute the sole base of commercial negotiation between the Parties, according to Article L.441-6 of the French Commerce Code.

2. ORDERS

The sale is agreed upon and the contract deemed as formed (hereafter referred to as the "Contract") only when AGRICARB has expressly agreed to the Customer's order in writing, in the form of an order confirmation sent to the Customer upon their demand, or, failing that, by AGRICARB carrying out the order to completion. The order may not be canceled by the Customer unless otherwise expressly agreed to in writing by AGRICARB.

All orders and potential additions to those orders shall be submitted by the Customer in writing (fax, post or email) or through the Customer's personal account on the AGRICARB website. No orders formulated orally, in person or over the phone, shall be taken into account.

The addition of further references to backorders will be considered as agreed upon only if expressly accepted in writing by AGRICARB and will be processed as new orders ; as such, freight costs will apply.

The contractual characteristics of the products are those stated on AGRICARB's price offers and/or on the purchase orders, accepted by both parties.

The Customer has 7 days, starting from the delivery date, to report a claim regarding visible defects and/or the non-conformity of the goods (not including the delivery of the goods) with respect to their order (particularly in case of the wrong products or quantities being received). After this deadline, the products received by the Customer will be considered as conform to the order's terms and no claims with regards to visible defects and/or the conformity of the delivered goods will be receivable.

All sales are submitted to these General Terms of Sales, which the Customer declares to have acknowledged and accepted.

3. PRICING AND DISCOUNTS

The applicable prices are those in effect at the time the order is placed by the Customer and/or those displayed on the offer given to the customer by AGRICARB, only for the duration of validity of said offer. AGRICARB reserves itself the possibility to modify their price list at any time, with prior notice to the Customer, should the existing Contracts allow it. Any tariff change will be automatically applicable starting from the date indicated on the new pricing.

Unless otherwise expressly agreed upon between AGRICARB and the Customer, AGRICARB's prices are always indicated exclusive of taxes, for unpacked pieces, EX-WORKS (CCI 2010). Hence, prices do not include the costs related to loading, freight, unloading, customs, insurance, all of which are supported by the Customer. Any tax incurred by French law, particularly the VAT at the rate applicable on the date the invoice was issued, will be borne by the Customer.

The discounts granted to the Customer by AGRICARB are determined based upon the current public prices.

The discount rates are granted by AGRICARB notably as a function of the Customer's turnover over the last period, as well as the value of AGRICARB's products in stores, and the historic commercial relationship between the Customer and AGRICARB (where appropriate, see appended table).

The discount rate is subject to yearly revision.

The trade conditions are individual and confidential.

4. DELIVERY

Unless otherwise expressly agreed between the Parties, the delivery is considered as successful once the products have been made available to the Customer by AGRICARB within its facility, as defined by the Incoterm EX WORKS - CCI 2010 (hereafter referred to as the "Delivery").

AGRICARB and the Customer may agree upon EX-WORKS set prices (see table within these General Terms of Sales), carriage and packaging paid prices (see table within these General Terms of Sales), or free shipping on backorders.

Delivery times are given for information purposes only and may not lead to any type of compensation.

AGRICARB does not offer direct delivery to end-customers.

Litigation proceedings regarding Delivery:

- **The Customer has forty-eight (48) hours from the time of Delivery to report a claim with AGRICARB's customer service: +33 (0)4 78 04 28 47 or magasin@agricarb.com**

- **The Customer must state their precise, significant and complete reservations on the transportation documents.**

- **The reservations must bear on the goods and the visible aspect of the package. The more precise the reservations, the more indisputable they will be, leading to quicker examination of the claim and possible compensation.**

Mandatory details to report a claim:

- **State whether some pieces could be "missing" from the package or if the "pallet was delivered opened and damaged"**

- **Package n° / Order n°**

- **N° of damaged pallets or missing (ex. 1 damaged pallet out of 3 delivered pallets)**

- **In case of missing products: quantity and product references**

Any claim after this deadline or any missing information will lead to your claim being dismissed.

5. TERMS OF PAYMENT

For new customers, a payment on Pro-Forma invoice is required.

Payment of all invoices is due within a maximum of 30 days, counting from the end of the month following the date of issuance of the invoice.

No discounts will be granted for early payments.

Payment by the Customer of the sums due after the due date appearing on the invoice automatically entails the application of a fixed compensation of 40€ (articles L441-6 paragraph 12 and D441-5 of the commercial code). In the event of a legal and/or regulatory modification of the amount of this fixed compensation, the new amount will automatically replace the one appearing in these General Terms and Conditions. The automatic application of this compensation does not preclude the application of additional compensation for the claim upon justification, in accordance with the above-mentioned text, up to the entirety of the sums which will have been incurred by AGRICARB, whatever their nature, for debt recovery.

In case of overdue invoices, the amount due will be increased by a late payment penalty equal to three (3) times the legal interest rate per month from the due date.

AGRICARB reserves itself the right to ship orders through cash on delivery services.

Invoices shall be paid in full ; potential credit notes or other deductions (ex: guarantees) granted to the Customer shall be registered and deducted only once AGRICARB has issued a supporting accounting document.

Should the Customer not comply with the above terms of payment, AGRICARB reserves itself the right to suspend all

ongoing order shipments or to terminate its Contract with the Customer, without prior notice, in addition to any other action that AGRICARB would be entitled to pursue.

6. GUARANTEES

The products sold by AGRICARB are guaranteed contractually for a duration of six (6) months from the Delivery date.

Said contractual guarantee only applies to technical defaults of the carbide plates.

No guarantee will be accepted in the following cases: misuse, negligence, lack or absence of maintenance on behalf of the Customer.

The wear, breakage or folding of the pieces are explicitly excluded from the guarantee.

Therefore, any AGRICARB pieces that have been altered by the Customer and/or a Third Party will not be accepted as part of a guarantee claim (hardfacing, welding...)

Only pieces that have been mounted on and used with AGRICARB bolting will be accepted as part of a guarantee claim.

Only pieces that still have carbide on them will be accepted as part of a guarantee claim.

Any return of goods shall be discussed and explicitly agreed upon beforehand by our sales and technical teams. Any approved return of goods to AGRICARB will be organized via a carrier, at the expense and risks of the Customer.

Upon examination of the returned products, AGRICARB will be the sole judge of the conformity or nonconformity of the products.

In the latter case, the returned product(s) will be accepted as part of a guarantee claim and replaced by a similar or equivalent product. No credit notes will be issued by AGRICARB.

7. LIABILITY

The full responsibility of AGRICARB is limited to the damage of property or persons directly caused to the Customer and solely attributable to the products and/or to a contractual non-performance on behalf of AGRICARB. The liability of AGRICARB with regards to the products sold to its Customers is explicitly excluded in the case of any indirect and/or non-physical damage, consecutive or not, suffered by the Customer and/or a Third Party, such as operating losses, loss or decrease of revenue, orders, clients, company image, etc. The latter may not give rise to any type of compensation on behalf of AGRICARB.

The liability of AGRICARB due to the products sold having caused damage to the Customer or a third party is expressly excluded in the event of misuse, negligence, or lack of maintenance on behalf of the Customer ; the same applies for normal wear and tear of the products or any Force Majeure event (as defined in article 12). As such, all of the previous may not lead to any type of compensation on behalf of AGRICARB.

8. RETURN OF GOODS

Returned unsold catalog products will be refunded at a discounted rate (between 20 and 50%).

The return of custom parts (i.e. parts not listed in the current catalog) and the resulting refund shall be agreed upon upfront between AGRICARB and the Customer.

9. RESERVATION OF OWNERSHIP

AGRICARB sells products to the Customer with a clause expressly subordinating the transfer of ownership of the property once full payment of the price in principal and accessories has been received. Consequently, in the event of non-payment, AGRICARB may repossess the delivered products, in addition to any other action that AGRICARB would be entitled to pursue.

It is understood, however, that the simple delivery of a document creating an obligation to pay, bank draft or otherwise, does not constitute a payment within the meaning of this clause, the original debt of AGRICARB on the Client subsisting with all the guarantees which therein are attached, including the retention of title until said commercial document has actually been paid.

The above provisions do not prevent, upon Delivery (see article 4) of the products, the transfer to the Customer of the risks of loss or deterioration of the products subject to retention of title as well as the damage that they could cause.

The Customer must take out insurance covering risks arising from Delivery of the goods.

Until the price has been paid in full, the Customer must individualize the goods delivered under this Contract. Materials in stock are presumed to be those unpaid.

In the event of seizure, or any other intervention by a third party, on the goods owned by AGRICARB, the Customer must inform AGRICARB without delay so that the company may oppose it and safeguard its rights.

The Customer further agrees not to pledge or transfer ownership of the goods as collateral.

The Customer is authorized, as part of the normal operation of its establishment, to resell the goods covered by this Contract.

However, should the Customer resell products that have yet to be paid for in full to AGRICARB by the due date, the latter commits to immediately paying the balance of the price remaining due to AGRICARB or to inform the sub-purchasers that said goods are the object of an ownership reserve clause and to notify AGRICARB of this transfer so that AGRICARB can safeguard its rights and, where applicable, exercise a claim on the resale price against the sub-purchaser.

10. INTELLECTUAL PROPERTY

Any and all technical documents sent to the Customer by AGRICARB remain the sole property of the latter, as the sole owner of the intellectual property rights of said documents.

Likewise, the intellectual property rights relating to the products remain the full and own property of AGRICARB or their rightful right owners. The Customer is given a right of usage of these intellectual property rights, on a purely personal, non-exclusive and non-transferable basis. This right of usage is strictly limited to the use of products and any technical documentation for internal purposes of the Customer, for France, for the product's lifetime. The Customer commits to not using any of said documents in such a way that could violate AGRICARB's industrial and/or intellectual property rights.

11. FORCE MAJEURE

AGRICARB may not be held responsible for any delay and/or non-performance due to force majeure, as defined by Article 1218 of the Civil Code, or in the event of a strike of its workforce, even if such event does not meet the legal or jurisprudential characteristics of force majeure (hereafter referred to as "Force Majeure"). Furthermore, AGRICARB's obligations toward the Customer will be suspended in the event of Force Majeure, until said Force Majeure event has been resolved.

12. GOVERNING LAW AND DISPUTES

These General Terms of Sales and the Contract are governed by French law. The application of the entirety of the Vienna Convention on Contracts for the International Sale of Goods of April, 11th 1980 is expressly excluded.

Should any difficulty or litigation arise relating to the validity, interpretation and/or the execution of these General Terms of Sales, the Parties will try their best to resolve the issue at hand amicably. Should the disagreement persist, the issue will be carried in front of the commercial court of Lyon.
